

Daytona Beach Radio Control Assoc.
Meeting minutes
August 27, 2011

9:30AM The Present requested to proceed without a quorum with 24 members present. Motion was made, seconded and carried to proceed.

Reading of the Minutes: The minutes for the July 23, 2011 meeting were read. A motion was made and a vote taken to except the minutes as read.

Treasures Report: It was reported that the current bank balance was \$3,249.95.

Old Business:

Most of the meeting was detacated to the up coming Electric Fly-in. Ron gave an extensive report on the Electric Fly-in that is scheduled for Sept. 17, 2011. There are many very good sponsors and some of the sports best pilots have indicated they would attend. There will also be a large-scale 3D demo and a flight of WWII War Birds.

Additional Port a Jon's will be in place. Pilots will park behind the pits and spectators will park across the road. The shelter will hold the registration desk at the end, the center will be for spectators and lunch and the other end is the kitchen area. There will be no planes allowed under the shelter. A spectator seating area will be set up to the right of the shelter. For anyone wishing to learn to fly, airplanes and instructors will be on hand for introductory flights.

Donnie has requested Dec. 3rd or 10th to hold giant scale fly-in. There will be a \$10.00 pilot fee or a donation to Toys for Tots.

New Business:

No new business.

Being no further business a Motion was made to adjourn. All accepted

Next Meeting: Sept. 24, 2011
